ANOTHER WONDERFUL CURE!

ANOTHER WONDERFUL CURE!

PRILABLEHIA, April 9, 1846.

Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, eupposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast act in my shoulders. I now suffered great oppression from the great secretion of purulent mater in my lungs. I became greatly narmed; and my friends considered my situation extremely critical, the more so as loss of appetite, heetic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that i resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs.

By reference to another column, an advertisement will be found for an excellent article of Blacking, in a Liquid form for Boots, &c. It has been highly recommended by many who have tried it.
